Temple.

Temple of the Oracle:

This site is also known as the Temple of the Oracle. It is believed that Alexander the Great wished to consult the Siwan oracle to seek confirmation that he was the son of Zeus. The Greek god of gods, when he and his entourage arrived at Siwa oasis after a long trip through the desert. The temple is located on a hill, the Temple of the Oracle has stunning views over Siwa Oasis's lush vegetation and salt flats, so it's worth the climb to the very top. Alexander the great temple

Then drive to the salty lake:

The salty water takes you above the water and makes you float., You don't need to be a good swimmer. Take care when you go swimming and don't let the water reach your eyes. as it is really painful. Choose the crystal lake and they are many of them. But keep looking for the purest one, when you see the bottom. Take a bottle of Mineral water to shower with after swimming in the lake, The salt lakes have similar hyper-salinity properties to those of Jordan's Dead Sea. This also means that the lakes hold great healing properties, much stronger than regular seawater. In all cases, You will make for a wonderful swim!

Shali Fortress :

The Shali Fortress was built on a hill inside a Protective wall originally breached by a single gate, the maze of mud-brick buildings that Comprises the Fortress served the people of the oasis for nearly 8 centuries. The inhabitants had to live in the narrow quarters, sharing their animals, which were herded into the fortress each evening. The huge chunks of salt so prevalent in Siwa oasis were used in the construction of the fortress, as they helped to strengthen the wall, Rain has unfortunately proved to be more destructive to the fortress than any human invaders. the fortress was built in the 13th century and served as the center of Siwan life for over 800 years. The fortress' mosque is still in use today, with many of the homes restored, and some even turned into local guesthouses.
