Days Table

First Day :Semi Submarine Tour from Soma Bay

Our representative will pick you up from your hotel in Soma Bay, for a fantastic Semi Submarine Soma Bay. Our Seascope has an air-conditioned and deep hull fitted with 20 panoramic windows that offer an excellent underwater view. While sitting in your personal chair, you can see the coral reef and tropical fish of all different shapes and sizes.

Our Seascope will take you to the most beautiful reefs of this region and show you the abundance and multitude of local marine life. Where there is a huge variety of fish species, colorful corals, and various sea plants. It looks like an enormous aquarium, but this is the real natural world you marvel at from the comfort of the observation lounge.

You can snap happily with your camera or video throughout your journey and it is guaranteed to see the unique marine life. After finishing, transfer back to your hotel in Soma Bay, This trip is especially appropriate for families with children.
